**1 liter e MRL FREE**

**COUNTRY OF ORIGIN**  
The Netherlands

### PRODUCT DESCRIPTION

**OCEAN** stimulates extra formation of roots and shoots allowing for more active and vital plants. **OCEAN** increases nutrient exchange and makes fertilizers work more effective. **OCEAN** contains plant specific proteins and fatty acids that contribute to a more vital crop, reducing the amount of chemical applications needed.

### BATCH NUMBER / SHELF LIFE

Batch code: 203004-03  
Production date: 10-2020  
Expiration date: 10-2022

### REMARK

**WARNING** Keep out of the reach of children and read the MSDS carefully before use. To prevent possible crop damage, always perform a test prior to application.

### WARRANTY

Aqua Aid Europe (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorised to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the materials as to which a claim is made.
